Honda Motorcycle and Scooter India

Honda Motor Co., Ltd.,[3] commonly known as just Honda, is a Japanese multinational conglomerate automotive manufacturer headquartered in Minato, Tokyo, Japan. Founded in October 1946 by Soichiro Honda, Honda has been the world's largest motorcycle manufacturer since 1959,[4][5] reaching a production of 400 million by 19 December 2019.[6] It is also the world's largest manufacturer of internal combustion engines measured by number of units, producing more than 14 million internal combustion engines each year.[7] Honda became the second-largest Japanese automobile manufacturer in 2001. [8][9] In 2015, Honda was the eighth largest automobile manufacturer in the world.[10] The company has also built and sold the most produced motor vehicle in history, the Honda Super Cub.[11] Honda was the first Japanese automobile manufacturer to release a dedicated luxury brand, Acura, on 27 March 1986. Aside from their core automobile and motorcycle businesses, Honda also manufactures garden equipment, marine engines, personal watercraft, power generators. and other products. Since 1986. Honda has been involved
